SUBJECT: Consideration and Action regarding recommendation to Tarrant County for award of bid for the 42nd Year Community Development Block Grant Project (Water Line Replacement on Bluebonnet Street from West Green Avenue to West Southern Avenue)

BACKGROUND/DISCUSSION:

On December 14, 2016 bids were opened by Tarrant County Community Development for the 42nd Year Community Development Block Grant (CDBG) Project. This project is the water line replacement on Bluebonnet Street from West Green Avenue to West Southern Avenue. Kimley-Horn and Associates has reviewed the bids received and determined that the lowest responsible bidder is BSK USA, LLC in the amount of \$212,708.50. The CDBG funding available is approximately \$250,000. Therefore no financial participation will be required by the City. You will recall when this project was considered in January, 2016 the City's estimated portion was \$115,475.

FINANCIAL IMPACT:

There will be no financial impact since the available CDBG funding is more than the bid for the project.

RECOMMENDATION:

Staff recommends approval of the recommendation to Tarrant County to award the bid for the 42nd Year Community Development Block Grant Project (Water Line Replacement on Bluebonnet Street from West Green Avenue to West Southern Avenue) to BSK USA, LLC in the amount of \$212,708.50.

Subject: Award 42th Year CDBG Contract for Bluebonnet Water Line Rehabilitation

Date: December 21, 2016

As part of the Community Development Block Grant (CDBG) process, the City is required to recommend to Tarrant County to whom the construction project should be awarded. This year's project is the replacement of the water line on Bluebonnet in the 200-400 blocks (from Green to Southern) The project includes 1,539 linear feet of 6" PVC line along with service lines, valves, and other improvements . The contract time is 120 days and should be started after County approval within a couple of months.

Attached is correspondence from the project engineer, which summarizes the bids which were received. Staff recommends the bid be awarded to BSK USA, LLL in the amount of \$212,708.50. There is approximately \$250,000 CDBG funding available for construction which covers the construction cost and requires no financial participation by the City. It was originally estimated that the City would have to contribute \$115,475 which was included in this year's budget.

Staff recommends the City Council recommend to Tarrant County that the bid be awarded to BSK USA, LLL in the amount of \$212,708.50

Re: Bluebonnet Street Water Line Replacement – Bid Results
KHA No. 061294600

Dear Mark:

On December 14th, 2016, sealed bids were received and opened by Tarrant County for the referenced project. A summary of the bids is below.

Contractor	Total Base Bid
BSK USA, LLC	\$212,708.50
Nu-Way Construction, LLC	\$224,489.00
R&D Burns Brothers, Inc.	\$245,574.25
Reytech Services, LLC	\$254,379.84
Whitewater Construction	\$262,516.00
Atkins Bros. Equip. Co., Inc.	\$264,746.00
Gra-Tex Utilities, Inc.	\$271,229.00
Excel 4 Construction, LLC	\$279,236.00
Wilson Contractor Services, LLC	\$285,675.50
B&R Utility Construction	\$293,681.50
LGK Resources, LLC	\$294,064.00
Bristow Contracting, LLC	\$341,837.00

The detailed bid tabulation is attached for your review.

Kimley-Horn and Associates (KHA) has reviewed the lowest bidder's references and has verified that the Contractor's bonding company is licensed in the State of Texas. Based on these reviews, it appears that BSK USA, LLC is the lowest responsible bidder. The result would be awarding the contract to BSK USA, LLC.

The City had allocated \$115,475 for construction in the 2016-2017 budget. The remainder of the funding was anticipated to come from Tarrant County. Tarrant County has allocated additional funds to fund the entire construction cost of the project. The result would be no cost to the City for construction.

If you have any questions or comments, please call me at (817) 335-6511.

Very truly yours,

KIMLEY-HORN AND ASSOCIATES, INC.
